

Step 4 : Row 1. Cross the 2 threads in 1 cube, then 1 cube on every thread.

Step 5 : Cross the 2 threads in a faceted bead, then 1 cube on every thread.

Step 6 : Repeat 11 times the step 5 then cross the 2 threads into the focal bead.

Step 7 : Thread 1 cube on every thread and make 11 times the step5, end by threading 1 cube on every thread then cross the 2 threads in 1 cube and cross the 2 threads in the second part of the clasp.

Step 8 : Row2, work 2 sides separately. You have 1 thread on each side of the work. Add 1 cube on each side of each of the faceted beads and so on until the part 1 of the clasp.

Step 9 : cross every thread in the part 1 of the clasp. Cross the 2 threads into the first cube then every thread in the following cubes. Now, you are ready for the row 3.
