G5 C/G  
 What day is it  
 F#/G Bm/G  
 And in what month  
 Em D(1) C Csus2  
 This clock never seemed so alive

I can't keep up  
 And I can't back down  
 I've been losing so much time

*Refrain (1):*

Cause it's you and me and all of the people  
 Em G Em G Em D(1)  
 With nothing to do, nothing to lose  
 G Am C  
 And it's you and me and all of the people  
 Em G  
 And I don't know why  
 Em D(1)  
 I can't keep my eyes off of you  
 (C Csus2)

*Couplet :*

All of the things  
 That I want to say  
 Just aren't coming out right

I'm tripping inwards  
 You got my head spinning  
 I don't know where to go from here

*Refrain (2):*

Cause it's you and me and all of the people  
 With nothing to do, nothing to prove  
 And it's you and me and all of the people  
 And I don't know why  
 Em D(1) G  
 I can't keep my eyes off of you

Bm C  
 There's something about you now  
 G D(2) Em  
 I can't quite figure out

Am D(2)  
 Everything she does is beautiful  
 Bm Cm  
 Everything she does is right

*Refrain (1)*

*Refrain :*  
 From you and me and all of the people  
 With nothing to do  
 Nothing to prove  
 And it's you and me and all of the people  
 And I don't know why  
 I can't keep my eyes off of you

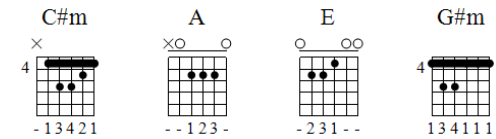

(G5 C/G F#/G Bm/G Em D(1) C Csus2)

# THIS IS THE LIFE

## Amy Macdonald

(C#m A E G#m)

C#m  
 Oh the wind whistles down

A  
 The cold dark street tonight

E G#m  
 And the people they were dancing to the music vibe

And the boys chase the girls with curls in their hair  
 While the shocked too many sit way over there  
 And the songs get louder each one better than before

*Refrain :*

{ And you singing the song thinking this is the life

And you wake up in the morning and your head feels twice the size

Where you gonna go, where you gonna go, where you gonna sleep tonight } x2  
 Where you gonna sleep tonight

(C#m A E G#m)

So you're heading down the road in your taxi for four  
 And you're waiting outside Jimmy's front door  
 But nobody's in and nobody's home till four

So you're sitting there with nothing to do  
 Talking about Robert Ragger and his one leg crew  
 And where you gonna go, where you gonna sleep tonight

*Refrain*

(C#m A E G#m) x2

{ And you singing the song thinking this is the life  
 And you wake up in the morning and your head feels twice the size  
 Where you gonna go, where you gonna go, where you gonna sleep tonight } x4  
 Where you gonna sleep tonight
